

Minutes of the Old Kentucky Hams Meeting June 2, 2018

The spring gathering of the OKH was held at Mammoth Cave Hotel/Restaurant on June 2, 2018, at 6:30 pm.

A quiet prayer was offered by President, Freddy Brown and the attending members guests began their evening meal. After the meal and enjoyable visiting with each other, Freddy called the meeting to order within the loud surroundings.

There was a total of 21 members and guests present.

There was no old business brought up.

Under the noisy conditions, Freddy decided to pass the minutes of the last meeting around to everyone to be read individually and they were approved as read.

The bank account remains the same as the last meeting as there were no expenses or new members to come into the club. The treasury amount remains at \$134.45.

It was mentioned that there were seven hamfests in Kentucky alone still to go to this year as well as Lebanon, TN and Indianapolis, IN in July. It was also brought up about the possibility of having a tailgate party next year at the park, but it was dismissed as the National Park would probably not allow anything to be sold on property.

Freddy passed around a membership list of the OKH club that he had gleaned from the existing club minutes. A more complete list will be submitted by him at the next meeting. Also Freddy will construct a Facebook Group for the club and start posting pictures and club information. When the site is completed on line, he will start inviting club members to be members of the group on line. This will be an excellent way for members to now keep up with upcoming events and post their own information and pictures.

There was one silent key mentioned since our last meeting, Marshall Love, KC4WFN. A motion and second to adjourn was accepted.

The next meeting will be set for Rafferty's Restaurant in Bowling Green, Kentucky on Jan 26, 2019.
